Arthog March 21st- 25th 2022

We are taking the children who will be in Y5/6 next year to Arthog and we would like to give your child the opportunity to take part. This visit will be for the children who are currently in Year 4 or Year 5.
The residential trip provides the children with the chance to take part in a wide range of activities, for example: canoeing, raft building, abseiling and rock climbing to name just a few. It is a fantastic opportunity for the children to build relationships and enables them to learn new skills, face challenges and build their confidence whilst also gaining independence. The fun element plays a huge role too!

This year there has been a change to the remission policy – there are no longer free places available for any children. Instead, the school is given a substantially discounted price for all pupils. This means the cost of the trip will be £170 for each child. This does not cover transport (to or from Arthog), so we will fundraise to cover this.

Due to social distancing rules I am unable to hold a meeting with parents as I would normally do. If you are confident you would like your child to be included, please complete & return the form below with a £10 deposit by 31/3/2021. Otherwise, please complete the form below and Mrs Willoughby will be in touch to arrange a time to talk.

Best Wishes

Mrs E Willoughby
Deputy Headteacher
