Parent Teacher Association

You may have seen in the news how school budgets are being tightened. In order to afford the special things like trips and events, we are having to rely more and more on fundraising.

We have been very fortunate to have some brilliant help with fundraising over the years. But it would be great to have a few more helpers so that the effort doesn't fall on just a few shoulders. With that in mind, we would like to invite all parents, carers and family members interested to attend a parent and teacher meeting on the 8th March at 2.30pm. The aim of the meeting will be to formally set up the group and to share ideas about future fundraising activities and also social events.

Upcoming dates

9th Feb School Photographer—classes and groups etc

17th Feb Last day of this half term

2nd Mar Y4/5/6 trip to Chester Zoo

8th Mar Parent Teacher's meeting

9th Mar Football Match

23rd Mar Football Match

Parent Governors

We are in search of two new parent governors. Governors are very important as they support school improvement through monitoring our plans, making sure we are spending the budget well, and by asking difficult questions. They are expected to attend governor's meetings twice a term, and be involved in a number of activities—attending award ceremonies, being part of an interview panel, coming into school to talk to the children or visit classes to find out what has been happening, attending training courses. It is a commitment but most governors find it very worthwhile and rewarding.

We are looking for two parents who are able to give us some time each term, who respect confidentiality, who are keen to find out how schools work and want to be a part of making Queenswood Primary School even more fabulous than it is already is. Training will be given.

Please let us know if you are interested or come and ask questions if needed.

Attendance

Congratulations to Y3 who scored the highest attendance percentage last week with 97.11%. This is way above our whole school target so brilliant work.

School Target: 96.5%

Current School Attendance: 94.53
