Lost Property

We will be holding a lost property collection on Tuesday 5th and Wednesday 6th April next week in the hall at 3pm. Please use the main reception doors. Any lost property not claimed by 3.30pm on Wednesday will be put out for disposal.

Can I just take this opportunity to remind everyone of the importance of naming your children's clothes. It is much easier to return lost property if named. Thank you.

School Security

Due to health and safety reasons, we have a system of secure doors. These are to ensure that no one can get into the main body of the school without permission. In order to ensure the school remains secure, only authorised people and the children can enter the school and the classrooms.

We would please ask you to stay out of the school building unless you are a parent of a reception or nursery child or you are coming in for a special event. Instead please can you come to the office through main reception. I know this seems like a bother but it will help in ensuring that we have no unwelcome or dangerous visitors.

Thank you very much for this.

Upcoming dates

7th Apr Class Dojo reward day and Governor's Award and Easter Egg Raffle 2.30pm

10th Apr—24th Apr—Easter Holidays

24th Apr—Teachers Day **SCHOOL CLOSED**

Tues 25th Apr—Back to school—hurray!

School lunches

There is a brand new school lunch menu which your child will be bringing home very soon!

We would like to encourage everyone (this includes all our Reception and Yr1/2 children) who is entitled to a free school lunch to take up the lunches offered by our kitchen. If the hot school dinner is not to your child's taste, then we offer a range of sandwich options.

If your child has special dietary requirements or you wish to opt out of the free school meal provision, please come and have a chat with Ms Clarke.

Finally, can we please ask that no chocolate bars or sweets are put in pack lunches. We want to encourage healthy eating. Thank you.

Equality

Treating people equally does not mean treating them all the same, but treating them according to their individual needs.

We have been exploring why different children get different types of help in school. We discovered that not all of us wear glasses because we don't all need help with our eyes. Some of us need help with our reading so we get extra lessons or more opportunities to read to an adult. Others might find behaviour difficult, so they may have different rewards and sanctions to encourage them to behave. We are none of us the same but we all have equal value and importance.

Attendance

Congratulations to Y3 who scored 100% in their attendance last week **AGAIN**. This is brilliant. *School Target: 96.5%*

Reminder: Please can you ring the office to report a child's sickness rather than try to leave a message on Class Dojo or class teachers. The office need to know as soon as they can. Thank you.
